Role of Women Development Cell in Gender Sensitization

The College has a dedicated **Women Development Cell (WDC)** to create an inclusive and supportive environment that empowers students, promotes gender equality among all and ensures their overall well-being and development within the institution. The committee plays a vital role in challenging gender-based discrimination, raising awareness, and fostering an environment of respect, dignity, and equality and also encouraging the students and other stake holders of the institution to carry forward the cause of gender quality and participate in activities aimed at creating awareness within the institution and also among local groups.

Role of the committee

Anand Vishwa Gurukul College of Law has always taken efforts for upliftment of women and the female students in the college. For this purpose, Women Development Cell has been established in the college. The Committee has been organizing various lectures, awareness programme and seminars and events aimed at gender sensitization of our students and for the upliftment of women and spreading awareness about gender equality in the community through college students.

Functions of the committee

The functions of the committee are as follows:

- To create an environment that will help women realize their full potential and give their best.
- Spreading awareness among the students about the social, legal and constitutional rights of women in order to prevent the exploitation based on gender.
- To organize events and activities for women empowerment.
- Making students cognizant about different kinds of violence: sexual, physical and mental and to further equip them with the knowledge and strength to fight against them.
