“Report on Feedback for A.Y. 2023-2024”

The College seeks feedback from various stakeholders using two types of questionnaires as suggested by NAAC as under:

- (a) Questionnaire 1: Syllabus and Course content.
- (b) Questionnaire 2: Teachers' Quality.

The feedback link is activated in the month of March/April every year for a period of 15 days. IQAC prepares a notice for all stakeholders and calls upon them to give feedback on Syllabus and Course Contents and Teachers' Quality. Orientation sessions are organised for the students giving details of the role and importance of feedback and action taken by the College on the responses of the stakeholders.

Feedback on 'Syllabus and Course Content' is sought from the students and various other stakeholders such as alumni, teachers, parents and employers. The students and alumni fill up the questionnaire and get them filled up from their parents and employer, where the students or alumni are employed.

Feedback on 'Teachers Quality' is sought from the students. The students are given clear instructions to evaluate teachers who teach in their class. The feedback so collected is cross-checked with the demographic data of the students available with the college office to establish the authenticity of the registered students.

The output of the Feedback is generated online in Excel and analysed by IQAC with the help of the teachers and the office staff. The reports so generated are shared with the Head of the Department and the Principal.
